Dear Mr. Narayanan,

Dear Mr. Maduell,

I would like to express my gratitude and appreciation for the organization of the annual Sovereign Wealth Fund Institute Global Wealth Conference, held in London this May.

Your team's expertise and professionalism made it possible to have a very insightful and dynamic panel discussion "Global Capital Accessibility and Collaborative Investment: Family Offices, Institutions, and Sovereign Wealth", which I was privileged to participate at.

I extend assurances of my highest consideration and seize this opportunity to wish your team all the best going forward.

Member of the Management Board**
